

Taiwan Trip Prayer Request

Last year, I had the incredible opportunity to join a team from my church on a mission trip to Taiwan. We partnered with the ongoing ministry of the Danner family in Taipei, as they faithfully live out lives of ministry and discipleship. It was a special experience to learn from them and to encourage the believers in Taipei. The trip was only possible through the prayer and financial support from many of you, and I am so thankful for your generosity!

This Sunday, another team from my church will be heading back to Taiwan, and this year I have the privilege of leading the team. Some of our activities are still being planned, but our time will be filled with visiting believers in Taiwan, sharing the gospel with students at various schools, and many more opportunities to share the gospel. One special opportunity we have this year is to visit an orphanage in Hualien City, which was hit by a severe earthquake a little over a month ago. We will spend time with the kids there and help lead an outreach event at the orphanage. Our team would appreciate your prayers for safety on this trip, but most importantly for boldness in sharing the joy we have received through Jesus and for the people we interact with on the trip to hear and respond to the gospel!

As part of leading the trip, Highland is covering the cost of my trip, so I do not personally need any more financial support. However, our team is still working to complete the last bit of fundraising. If you would like to contribute to the team, there is a link below where you can send donations to the entire team.

Again, your support through prayer is the best contribution we can ask for! Pray for our team to go with hearts of service, ready to respond to the prompting of the Holy Spirit. Pray for the Danners, that they will be faithful to the ministry they have been called to, and that they will be encouraged and blessed through our visit. And pray for the people of Taiwan, that they will hear the good news of Jesus and that the Church there will continue to grow!
